

Objective:

A driven engineering student with solid expertise in computer science and practical experience in AI and backend development. Committed to designing efficient, high-performance software solutions that solve real-world challenges.

Area of Interest:

- Software Development
- Full Stack Development
- Database Management

Education:

- **Bachelor of Technology in Artificial Intelligence and Data Science** | Dr. Mahalingam College of Engineering and Technology, Pollachi | 2023-2027 | 7.45
- **HSC** | Pushpalatha Matric Higher Secondary School, Tirunelveli | 2022-2023 | 62%
- **SSLC** | Sri Jayendra Swamigal Silver Jubilee Matric Higher Secondary School, Tirunelveli | 2020-2021

Skills:

Technical Skills:

- **Programming Languages:** Java, Python, C
- **Database Management:** MySQL
- **Web Design:** HTML, CSS

Soft Skills:

- Communication
- Problem-Solving
- Teamwork
- Time Management

Projects:

AI Legal Chatbot

Oct – Nov 2025

- Developed an AI-powered Legal Voice & Chat Assistant using NLP and OpenAI, with a React frontend and Supabase backend for secure real-time interaction.

Rockfall Prediction

Mar– Apr 2025

- Built a machine learning-based Rockfall Prediction System to analyze geological and sensor data, enabling early risk detection and automated safety alerts for mining and slope monitoring.

AI Voice-Based On-Call Medical Appointment Scheduling System

Nov-Dec 2025

- Built a voice-enabled AI medical appointment scheduling system integrating VAPI, n8n, Google Calendar API, and Supabase for real-time availability checking and automated booking during live calls.

Internships:

Accent Technosoft-Coimbatore

June 2025

- Completed Python with Data Science training and worked on real-world datasets using Python.
- Gained practical experience in data preprocessing, model building, and evaluation using Pandas and Scikit-learn.

Certifications:

- Certified in Soft Skills | NPTEL
- Completed AI Upskilling (Technical Foundation) – Qualcomm
- Achieved Introduction to Python – Skill India

Achievements:

- Attended workshops on Power BI at Dr.MCET, gaining hands-on exposure to data visualization and innovation challenges.
- Participated in Smart India Hackathon
- Contributed in a front-end CTF project at the Science Expo in Pollachi.

Extracurricular Activities:

- Basket Ball District Player.
- Member of Science Club.
