

Objective

A passionate Artificial Intelligence and Data Science student with a strong interest in software development and practical experience in AI-based applications. Committed to developing efficient, innovative software solutions that solve real-world challenges while continuously learning and growing.

Area of Interest

- Software Development
- Full Stack Development
- Database Management

Education

- **Bachelor of Technology in Artificial Intelligence and Data Science** | Dr. Mahalingam College of Engineering and Technology, Pollachi | 2023-2027 | 7.45
- **HSC** | Pushpalatha Matric Higher Secondary School, Tirunelveli | 2022-2023 | 62%
- **SSLC** | Sri Jayendra Swamigal Silver Jubilee Matric Higher Secondary School, Tirunelveli | 2020-2021

Skills

Technical Skills:

- **Programming Languages:** Java, Python, C
- **Database Management:** MySQL
- **Web Design:** HTML, CSS, JavaScript

Soft Skills:

- Communication
- Problem-Solving
- Team Collaboration
- Time Management

Projects

Brain Tumor Detection

Nov – Dec 2025

- Developed an AI-powered Brain Tumor Detection and Classification System using Python, Deep Learning, U-Net, and Fuzzy Logic to enhance MRI image processing, achieve accurate tumor segmentation and classification, and presented the research at the IEEE-sponsored International Conference (ICSES 2026).

AI Legal Voice & Chat Assistant

Oct – Nov 2025

- Developed a legal voice and chat assistant using NLP, OpenAI, React, and Supabase to provide secure real-time legal assistance through intelligent voice and text-based conversations.

Rockfall Prediction

Mar– Apr 2025

- Built a machine learning-based Rockfall Prediction System to analyze geological and sensor data, enabling early risk detection and automated safety alerts for mining and slope monitoring.

Internships

Accent Techno Soft-Coimbatore

June 2025

- Completed Python with Data Science training and worked on real-world datasets using Python.
- Gained practical experience in data preprocessing, model building, and evaluation using Pandas and Scikit-learn.

Certifications

- NPTEL Certification in Soft Skills
- AI Upskilling (Technical Foundation) – Qualcomm
- Introduction to Python Skill

Achievements

- Presented a research paper on Brain Tumor Detection at the IEEE-sponsored International Conference (ICSES 2026).

Extracurricular Activities

- District Basket Ball Player.
- Member of Science Club.
